Brainstorm & idea prioritization

Use this template in your own brainstorming sessions so your team can unleash their imagination and start shaping concepts even if you're not sitting in the same room.

- 10 minutes to prepare
- 1 hour to collaborate
- 2-8 people recommended

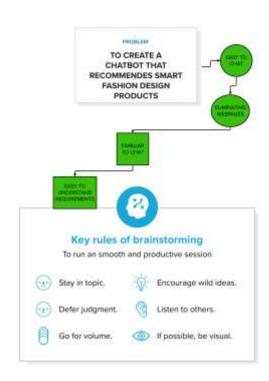

Bef	ore you collaborate					
	tle bit of preparation goes a long way with this sion. Here's what you need to do to get going.					
① 10 minutes						
Α	Team gathering Define who should participate in the session and send an invite. Share relevant information or pre-work ahead.					
п	Set the goal Think about the problem you'll be focusing on solving in the brainstorming session.					
c	Learn how to use the facilitation tools Use the Facilitation Superpowers to run a happy and productive session.					

Define your problem statement

What problem are you trying to solve? Frame your problem as a How Might We statement. This will be the focus of your brainstorm.

① 5 minutes

Brainstorm

Write down any ideas that come to mind that address your problem statement.

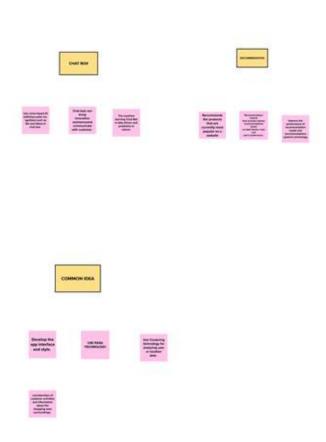

Group ideas

Take turns sharing your ideas while clustering similar or related notes as you go. In the last 10 minutes, give each cluster a sentence-like label. If a cluster is bigger than six sticky notes, try and see if you and break it up into smaller sub-groups.

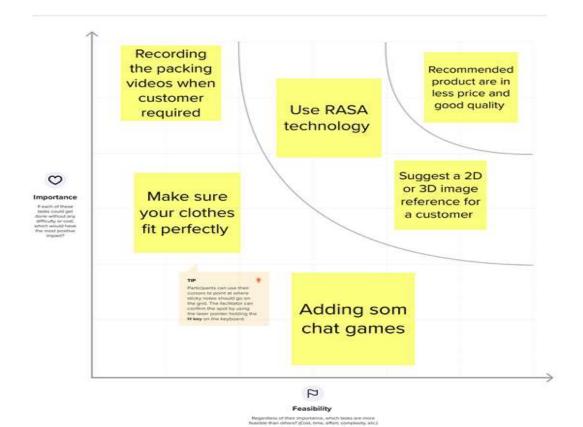

① 20 minutes

Prioritize

Your team should all be on the same page about what's important moving forward. Place your ideas on this grid to determine which ideas are important and which are feasible.

After you collaborate

You can export the mural as an image or pdf to share with members of your company who might find it helpful.
